Assignment Title: Request for Proposal for Implementation of Income Generating Activity for PVTG Beneficiaries under CCD Scheme

Jharkhand Tribal Development Society (JTDS) has received financing from the Govt. of Jharkhand towards implementing “Income Generating Activity for PVTG Beneficiaries” in 14 Tribal Sub-Plan districts of Jharkhand State. JTDS intends to apply the funds to eligible payments for implementation services for the above mentioned activity. Jharkhand Tribal Development Society has a State Project Management Unit (SPMU) at Ranchi and 14 District Project Management Units in 14 TSP districts.

The consulting services (“the Services”) include carrying out the implementation of Income Generating Activity for PVTG Beneficiaries which includes selection of beneficiary, selection of vocation, providing training and hand holding support to the beneficiaries and support in establishing IGA in terms of both backward and forward linkages.

The State Project Management Unit of JTDS now invites eligible Agencies/NGOs (“Consultants”) to submit the RFP in providing the above mentioned services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The eligibility criteria for Agencies/NGOs are:

1. Should be legally registered and provide a self-attested copy of registration, PAN number and self-attested copy of PAN card.
2. The Agencies/NGOs, its Board of Directors and Key Management team members is not blacklisted for any prohibitive practices (such as fraud, corruption, collusion and coercive, obstructive practices). The Agency/NGO will have to submit a notarized affidavit from Authorized Signatory of NGO to this effect.

3. Should have a minimum of 5 years of work experience in community and rural development in Jharkhand as on 31.03.2021. Prior experience of working with PVTG community is desirable.
4. Should have implemented, over the last 5 years, at least 3 Rural/Tribal development Programmes in Jharkhand funded by GoJ, GoI, NABARD or any other donors and provide copy of the letters of engagement/contracts/MOUs for the same.
5. Should have minimum average funding of Rs 20 lakh a year for the last three years as reflected in the last 3 years' audited Balance Sheet and Financial Reports submitted to the concerned regulatory authorities (Funding which are not reflected in the Financial Statements, value of fixed assets in the Financial Statements will not be considered for the minimum average funding).
6. The Chief functionary of the institution should not be a formal member of any political party and furnish an undertaking to this effect.
7. Should provide details of any ongoing legal proceedings in the form of a declaration against the Agency/NGO, its Board of Directors and Key Management Team members.

To ensure proper implementation of the "Income generating Activity" JTDS will engage experience agencies/FNGOs as per the following table

Funded by the Government of Jharkhand

1. Background

Removing rural poverty, estimated at 41.8% is the key challenge before India. Poverty is highest among the Scheduled Tribes (STs) in the Central and East Indian plateau encompassing Jharkhand. Among the STs, PVTGs are the most vulnerable and required hand holding support to come out of the abject poverty. Therefore under the “Income Generating Activity” both identification of proper trade as well as training and capital support has been proposed.

2. Objective:

The Agency/NGOs are required to undertake the following activities:

The Agency/ NGO will be responsible for implementation of the work in the selected villages as per the assigned zone to them.

The Agency/NGO will be responsible for selection of the PVTG Beneficiaries, and the list of beneficiaries should be duly approved by the Gramsabha.

The Agency/NGO will be responsible for selection of Trade for IGA as per the locally available resources.

The Trade will be preferably farm based. Non-farm based activity will form only 15%-20% of the total activities.

The Agency/NGO will be responsible for providing training and hand holding support to beneficiaries as per the selected trade.

The Agency/NGO will be responsible for providing inputs to the beneficiaries to start the IGA.

The Agency/NGO will be responsible for providing handholding support to the beneficiary to make the IGA successful.

Duration of the assignment: Till December 2021

Payment: The Agency/NGO will be paid 10% of the total project cost as their management cost including GST as per the following table. No other cost will be payable to the NGO for Implementation of this project.

Zone	No. of Beneficiary	Training Cost	Cost for Inputs	FNGO Mgmt. cost	Total
I	650	5167500	9750000	1491750	16409250
II	650	5167500	9750000	1491750	16409250
III	700	5565000	10500000	1606500	17671500
Total	2000	15900000	30000000	4590000	50490000

Training cost includes minimum 30 days training including cost of fooding, lodging, travelling and cost for resource persons. Trade wise separate trainings need to be organized with batch of 25-30 trainees.

REPORTING REQUIREMENTS

Agency/NGO's Reporting Obligations

The Agency/NGO will initiate its activities in the zone assigned to it soon after signing the Agreement. The Agency/NGO will report to the District Programme Manager of the respective district. All reports will have to be submitted to the DPMU based on the format provided by JTDS. The FNGO's reporting obligations are as follows:

- An Inception Report within one month of the start of the assignment covering activities undertaken to date and a Tentative Month-wise Plan of Action for the assignment.
- Regular Monthly/Quarterly Reports through the period of the Agreement and these reports will be submitted within 15 days from the end of the reporting month/quarter. The Quarterly Report will have to also contain action plan for the following month/quarter.
- Closure Reports at the end of assignment showing progress, issues addressed, emerging issues to be addressed in the next plan, problems/constraints encountered and problems/constraints still to be resolved. It will also report on any innovative methods used to do work or work done differently; and also qualitative and quantitative reporting of short-term impacts of the project interventions on the community in their respective clusters.

Besides that any report (as directed by SPMU/DPMU) – which is related to assigned zone.

Form Tech-2A. Financial Capacity of the Consultant

The client reserves the right to request additional information about the financial capacity of the consultant. A consultant that fails to demonstrate through its financial records that it has the financial capacity to perform the required services may be disqualified.

The consultant's financial capacity to mobilize and sustain the services may be important for specific types of services in which the consultant is required to pre-finance significant expenses in advance of receiving payment from the client. Under these circumstances, an evaluation of financial capacity will be included in the request for proposals in addition to the qualitative assessment conducted through form Tech-4. Form Tech-2A will include requirements on the documentation required to assess financial capacity.

- Audited financial statements for the last three (3) years, supported by audit letters.
- Certified financial statements for the last three (3) years, supported by tax returns.
- Evidence of financing dedicated for the implementation of the services as attested by an authorized representative of the consultant.

Failure to submit either of the documents as evidence of financial capacity will result in the rejection of the proposal.

If the proposal is submitted by a joint venture, all parties of the joint venture are required to submit the financial capacity information requested. The reports should be submitted in the order of the associate's significance in the joint venture, greatest to least.

The client reserves the right to request additional information about the financial capacity of the consultant. A consultant that fails to demonstrate through its financial records that it has the financial capacity to perform the required services may be disqualified.

Form TECH-2B. Current and Past Proceedings, Litigation, Arbitration, Actions, Claims, Investigations and Disputes of the Consultant

Form TECH-5. Description of Approach, Methodology and Work Plan for Performing the Assignment

[Note to client: this is a model for illustrative purposes only. The instructions and the content required of the consultant must be adapted by the client based on the objectives of the procurement and the evaluation criteria.]

In this section, the consultant should provide a comprehensive description of how it will provide the required services in accordance with the terms of reference (TOR) included in this RFP. Information provided must be sufficient to convey to the technical evaluation committee that the consultant has an understanding of the challenges in performing the required services and that it has an approach, methodology and work plan suitable to overcome those challenges.

Your technical proposal should be divided into the following three (3) chapters:

- (a) Technical Approach and Methodology,
- (b) Work Plan, and
- (c) Organization and Staffing

(a) Technical approach and methodology. In this chapter, you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance, and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach. Also comment here on any specialized equipment and/or software of which may be necessary to perform the scope indicated in the terms of reference.

(b) Work plan. In this chapter, you should propose the main activities of the assignment, their content and duration, phasing and interrelations, milestones (including interim approvals by the client), and delivery dates of the reports. The proposed work plan should be consistent with the technical approach and methodology, showing understanding of the TOR and ability to translate them into a feasible working plan. A list of the final documents, including reports, drawings, and tables to be delivered as final output, should be included here. The work plan should be consistent with the work and deliverables schedule of form TECH-9.

(c) Organization and Staffing. In this chapter, you should propose the structure and composition of your team. You should list the main disciplines of the assignment, the key expert responsible, and proposed technical and support staff.

Note: Where the terms of reference includes tasks relevant to gender and social inclusion, the proposal should explicitly address how the consultant will perform these tasks in the technical approach, and methodology, work plan, organization and staffing. We recognize that this type of expertise and experience may be outside of the normal work of some Consultants offering proposals, and thus call special attention to the importance of an adequately inter-disciplinary proposal and staffing plan.

[Maximum 25 pages, including charts and diagrams]

Form TECH-6. Comments and Suggestions on the Terms of Reference & Assignment

The client welcomes comments and suggestions to improve the assignment to provide a better value for money. These comments and suggestions shall not be used for evaluation purposes, but may be discussed during negotiations. The client is not bound to accept anything proposed. If the proposed modifications/suggestions would require changes in the offered price, it shall be noted as such, without giving the price of the change.

[Maximum 5 pages]

A: On the terms of reference

[Present and justify here any modifications or improvements to the terms of reference you are proposing to improve performance in carrying out the assignment (such as deleting some activity you consider unnecessary, or adding another, or proposing a different phasing of the activities).]

B: On the staff and facilities

[Comment here on the staff and facilities to be provided by the client.]
